OUR GUIDING FRAMEWORK

We craft cultures of IMPACT

Combined, these six factors work together to optimise individual and collective **IMPACT**.

HUMAN NEEDS

HUMAN POTENTIAL

IDENTITY:

Knowing our unique set of skills, strengths, interests and values, and integrating our home and work lives

MEANING:

Understanding our wider purpose and unique contribution

PEOPLE:

Feeling a sense of belonging and inclusion

AUTHENTICITY:

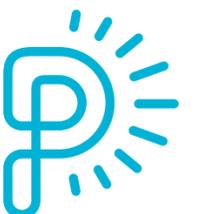

Cultures that walk the talk

COMPASSION:

Cultures of kindness

TRANSFORMATION:

Cultures that support professional, personal, and spiritual growth and development

O our purpose

We help young people to *uncover* and *develop* their **unique potential**, and equip them with **future skills**, so that they can best *prepare* for and *contribute* to the **future of work**.

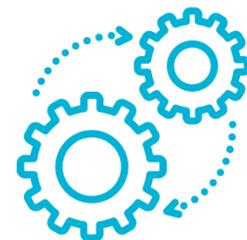

Resilience

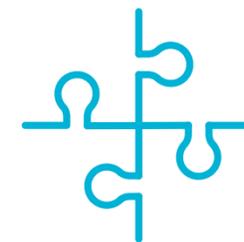

creativity

collaboration

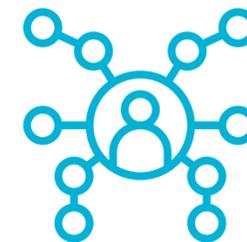

critical thinking

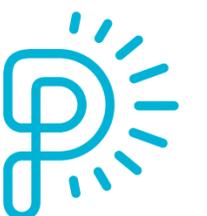

problem solving

communication

agility

Social, emotional and career development, done differently.

Our *evidence-based* programs grow alongside our young people as they journey from school into meaningful work. Along the way, they'll develop *career and life skills*, and gain *industry connections* that help them succeed today and in whatever future path they choose.

posify academy

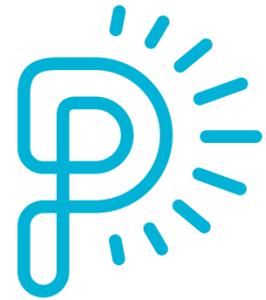

Our award-winning* online learning hub that puts 10-14yr old students in the driver's seat of their wellbeing & career development, is helping them uncover & communicate their potential.

Students move through a series of interactive lessons that upskill them in managing their wellbeing, uncovering their strengths and skills, identifying their support networks, considering the possibilities of their first steps in early career planning. The program can be completely student-led, teacher-directed or a blend of both.

- 🔗 12 hours of learning content across 26 bite-sized lessons
- 🔗 A mix of interactive activities including videos, games, and worksheets
- 🔗 Additional library of content for fast-finishers / program extension
- 🔗 In-built formative and summative assessment activities
- 🔗 Backed by science and aligned to Australian Curriculum

*Named by Deloitte and the World Economic Forum as a WorldClass Education Top Innovation

academy access

From \$11* / student for calendar year access. School memberships include:

- Individual student accounts, with quick and easy bulk onboarding
- Teacher toolkit to support optional offline program extension activities
- Invitations to exclusive inter-school events, challenges and competitions

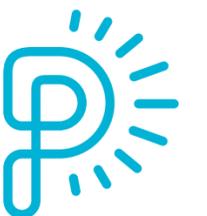

"Students have agency and autonomy in the program...it takes away a lot of the work for us as planners. It takes away all the hassle. And that end piece that pulls it all together, and that they can share their success. I think that's great!"

~ Leesa Downes, Teacher, MAPP, Coach
